- Flexible Work
- Continuous Learning

■ Challenges

- Burnout Risk
- Rapid Technological Change

■ What They Do

High School Teachers typically perform the following tasks:

- Prepare students for later grades by encouraging them to explore learning opportunities and to persevere with challenging tasks.
- Instruct through lectures, discussions, and demonstrations in one or more subjects, such as English, mathematics, or social studies.
- Establish and enforce rules for behavior and procedures for maintaining order among students.
- Prepare materials and classrooms for class activities.
- Adapt teaching methods and instructional materials to meet students' varying needs and interests.
- Prepare, administer, and grade tests and assignments to evaluate students' progress.
- Establish clear objectives for all lessons, units, and projects, and communicate those objectives to students.
- Observe and evaluate students' performance, behavior, social development, and physical health.
- Plan and conduct activities for a balanced program of instruction, demonstration, and work time that provides students with opportunities to observe, question, and investigate.
- Guide and counsel students with adjustments, academic problems, or special academic interests.
- Use computers, audio-visual aids, and other equipment and materials to supplement presentations.
- Prepare objectives and outlines for courses of study, following curriculum guidelines or requirements of states and schools.
- Assign and grade class work and homework.
- Maintain accurate and complete student records as required by laws, district policies, and administrative regulations.
- Enforce all administration policies and rules governing students.
- Confer with parents or guardians, other teachers, counselors, and administrators to resolve students' behavioral and academic problems.
- Confer with other staff members to plan and schedule lessons promoting learning, following approved curricula.
- Prepare and implement remedial programs for students requiring extra help.
- Provide students with disabilities with assistive devices, supportive technology, and assistance accessing facilities such as restrooms.
- Meet with other professionals to discuss individual students' needs and progress.
